## **Foot Function Index**<sup>1</sup>

Section 1: To be completed by patient						
Name:			Age:	_ I	Date:	
Occupation:			Number of da	ays of foot pa	ain:	(this episode)
Section 2: To be completed by patient						
This questionnaire has been designed to give your therapist information as to how your foot pain has affected your ability to manage in every day life. For the following questions, we would like you to score each question on a scale from 0 (no pain) to 10 (worst pain imaginable) that best describes your foot over the past WEEK. Please read each question and place a number from 0-10 in the corresponding box.  Pain Scale: 0= No Pain 10=Worst Pain Imaginable						
	1.	In the morning upon	taking your first	step?		
	2.	When walking?				
	3.	When standing?
